

Weekly Report

28/11/2016-4/12/2016

Han Dongming Dec. 4 2016

Work

1. Learn Angular
2. Read books "学术之路"
3. Learn some knowledge about matrix

To do

1. Next project with Dr. Guo.
2. Read visualization about map and network
3. English Reading

Thoughts

I ask Dr. Lu for help about improving my English, he told me a method. I should do English Reading every day, and note words what I don't know. I decide to do it next week.
